PREFACE.

IN presenting the **Thirty-First Annual Addition of the City of Hamilton Directory,** I thank the business men and patrons of the Directory generally for the very liberal and enthusiastic support they have given me and for the substantial increase in advertising. As my last addition proved very satisfactory, I am quite confident that the present volume will be still more so, it containing more information, and no expense, time or labor being spared to make it most accurate.

In the Miscellaneous Directory will be found the names of the new officers of the various societies, etc., and the City Council and School Trustees for 1904. In due time my canvassers will call on you for the renewal of your patronage.

Wishing my subscribers a prosperous year, I remain,

Respectfully yours,

HENRY VERNON,

JANUARY, 1904. 138 Mary Street.

BRONCHITIS

My daughter was taken with fits, June, 1894, and continued to have them until the winter, 1901. They were gradually growing worse on her every year until we thought that she would die in one. We had tried various remedies that were recommended to cure, but of no avail until we tried Switzer's fit cure, called HERB FOOD, and she used 4 quart bottles of it and has never had one since. Therefore we can highly recommend it to others who are troubled with such.

Yours sincerely,
